05U and 07U Tee Ball (2018-2021)

For the 2025 season, we will again be offering two divisions of Tee Ball – **05U Junior Tee Ball** is for players born in 2020 and 2021, and **07U Senior Tee Ball** is for players born in 2018 and 2019. For the 2025 season, we are offering Junior and Senior Tee Ball divisions on Tuesday, Wednesday and Thursday. Parents will register for one of those days. If there is sufficient interest and players on the waiting list we will open up another day.

05U Junior Tee Ball games will start at 5:30 pm, and 07U Senior Tee Ball games will start at 6:30 pm.

There won't be scheduled team practices once the regular season starts. There will be two or three scheduled team practices during the pre-season schedule. We are planning to schedule optional practices that are open to all players on some weekends for players who may want to have more opportunities to develop their skills.

All pre-season practices, regular season games, and weekend open practices will take place at the Eggleton Park Tee Ball diamonds, which are located just south of Harbord Street between Grace Street and Montrose Avenue (beside the Montrose Public School schoolyard).

The pre-season will run from early May (specific start date is dependent on field conditions) to Thursday, May 15th. The Tee Ball division regular season will commence on Tuesday May 20th. The season will conclude with a Tee Ball Celebration Day for each team in early September.

There will be either four or six teams in the 15U Bantam division...the decision as to whether we add two teams to have six will depend largely on the registration numbers we have once online registration opens.

Since there is only one available diamond with a mound there will be 15U Bantam and 18U Varsity games played on more than one day each week.
