

Waivers, Agreements and Policies for 2026 TP House League Registration

Below are links to the waivers, agreements, and policies that you will need to agree and consent to in order to register with Toronto Playgrounds Baseball Association (TPBA) for 2026.

These waivers, agreements and policies will be included in the online registration form, but we strongly encourage you to read through them now so you can ask any questions you have with regards to them. You can then move quickly through the online form when completing registration.

The name of the Parent/Guardian (or the Participant if the Participant is 18 years of age) will need to be entered into the "consent box" four times on the on-line form: once for each of the four documents that are available through the links below.
