2026 TP Spring Tee Ball Academy

The **2026 TP Spring Tee Ball Academy** features forty-five minute weekly indoor skills and drills classes in a gym. **Each week's class will be led by trained TP Instructors/Field Supervisors.**

During class each week the participants will work on the fundamentals of throwing, catching, and hitting, through a series of different drills and activities designed to give them the opportunity to improve all of their baseball skills.

This is a great way for participants to enjoy some “off-season” baseball while enhancing their skills and building increased self-confidence in their baseball abilities!!
